More than 1 Crore Happy Customers Believe in the Panasonic Promise

Panasonic, the leader in Kitchen Appliances has been defining cooking standards across the globe, setting new benchmarks for the category! With consumer insights, we continue to roll out Smart Kitchen Appliances that save the customers' precious time and improves the quality & hygiene of the food they cook. We help families to celebrate the joy of fresh food. Our mission is to turn cooking from mundane to that of pure joy by adding several convenient features. Go on, enjoy your cooking with Panasonic!

Panasonic

Our founder KONOSUKE MATSUSHITA expressed the brand purpose of Panasonic in a dynamic manner. He said, **“We recognize our responsibilities as Industrialists and we devote ourselves to the progress and development of society and the well-being of people through our business activities, thereby enhancing the quality of life throughout the world”.**

To create an exhilarating experience for our customers, we create world-class products with a unique approach that helps us stay ahead of the competition. Designed aesthetically to accentuate the beauty of the customers modern kitchen, the brand is a market leader and best of its kind in its category. We believe in customizing our products for each market segment to fulfil key customer needs, thereby assuring Quality, Safety & Convenience.

In India, we have been manufacturing products since 1989 in our state-of-the-art manufacturing facility spread across a 25-acre property at Sholavaram, Chennai. We are the only manufacturers in India with a facility to produce 1 million Cookers, 6 lakh Mixer Grinders, 1 lakh Wet Grinders every year and have won many awards for our performances.

Nearly 32% of the products manufactured in this facility are exported to global markets and 68% caters to the dynamic Indian market. Panasonic exports products to more than 50 Countries like Japan, USA, Canada, Australia, New Zealand, UK, France, Hong Kong, Malaysia, Thailand, UAE, Saudi Arabia, Kuwait, Maldives, Sri Lanka, Nepal, Nigeria, Kenya, Tanzania, Mauritius, Madagascar, Panama, Peru, Kazakhstan and many more.

In India, we offer a wide range of Kitchen Appliances to suit all kinds of cooking needs. We are the pioneers in Automatic Rice Cookers. With 9-in-1 functions and a powerful motor, our Super Mixer Grinders are one-of-a-kind in its category. Our Ultimate Wet Grinders have set a new benchmark in grinding efficiency with its 3D Alpha Flow. Understanding the lifestyle and needs of customers, Panasonic also offers the widest range of Small Kitchen Appliances like Sandwich Maker, Hand Blenders, Bowl Mixers, Food Processor, 32L/38L Oven Toaster Grill, etc.

We offer a wide range in terms of sizes and accessories with a promising warranty and efficient after-sales service. All our products are designed to offer users remarkable savings in time, effort and money. We are admired in the market for being trend-setters and innovators.

Panasonic

THE STEEL X ADVANTAGE

QUALITY

- Made with Supreme quality rust-resistant steel.
- Strong & Durable 3-Layered Clad Pan.
- Shock-proof and easy to clean.
- Highly durable.

HEALTH

- Accurate cooking with PCB Switch Panel.
- Hygienic cooking with SS316 Surgical Steel Inner Pan.
- Prevents over-cooking of rice.

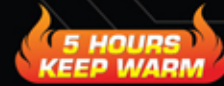

TASTE & TEXTURE

- Uniform heating in all layers.
- Fluffier and longer cooked rice.
- Keeps food warm up to 5 Hours after cooking.

AUTOMATIC MULTI COOKERS (STEEL X)

TRUSTWORTHY STEEL NOW IN YOUR COOKER

- The structure of 3-Layered clad helps retain Taste and Texture of food.
- Superior Stainless Steel is rust-resistant and hygienic.
- Easy to clean and maintain.

STAINLESS STEEL LID

Rust-Resistant Stainless Steel Lid with convenient handle.

STAINLESS STEEL COOKING PLATE

Prevents sticking and browning of cooked rice. Made with SS304 Grade Steel.

SCOOP HOLDER

For easy and convenient storage.

3-LAYERED REMOVABLE COOKING PAN

Made of robust & efficient 3-layered structure, this Cooking Pan can also be used as serving bowl.

Layer 1 : SS316 Grade Surgical Steel for safe and hygienic cooking

Layer 2 : Aluminium for good & even heat conductivity.

Layer 3 : SS304 Grade Steel for rust resistance & ease of cleaning.

KEEP WARM FUNCTION

Keeps food warm up to 5 hours by automatically switching to 'keep warm' mode after the food is cooked.

STAINLESS STEEL OUTER BODY

Tough SS304 Grade Rust-Resistant Steel for increased durability.

MONSTER

POWER AND CONVENIENCE AT ITS BEST

Introducing Panasonic Monster, the Mixer Grinder with 100% copper wound True 750W Powerful Motor. Mixing, Grinding, Whipping or Blending, this Mixer Grinder performs everything with ease.

Panasonic Monster is a series which includes 7 Models & 5 Colors. It comes with a unique "Super Jar" - a single jar with 3 different Lids which is convenient for Juicing, Wet Grinding & Dry Grinding.

750 W

**1 JAR - 3 LIDS
MULTIPLE USES**

SUPER JAR FOR SUPER PERFORMANCE

Unique 'first-of-its-kind' Jar with extra wide blade and 3 different lids for multiple applications:

- **The Chutney Lid** with Pusher Attachment has a 360-degree convenient pusher attachment which makes it ideal for Chutney Grinding. It is also equipped with easy water pouring inlet.
- **The Dome Lid** is ideal for Blending, Juicing and Batter Grinding; it allows the user to add water while the Juicing and Blending is still in process.
- **The Spice Grinding Lid** is inverted in shape which helps to grind small quantities with ease; the grinding efficiency of this lid allows user to grind even a single piece of pepper.

CHUTNEY LID
WITH PUSHER ATTACHMENT

DOMELID

SPICE GRINDING LID

SINGLE PEPPER GRINDING

The Super Jar in the Monster Super Mixer Grinder has extra wide blade which can grind even a single pepper efficiently. This allows the user to grind very small quantity to perfection.

**GRINDS EVEN
A SINGLE
PEPPER**

New SS304
Extra Wide Blade
for Super Jar.

THE JAR COMES WITH A WATER POURING INLET no need to open the Jar Lid to pour water. The innovative water pouring inlet allows users to add water while grinding is in process. This convenient features not only saves the grinding time, it also provides hygiene to its users.

This 360-degree Rotating Pusher brings back the ingredients stuck on the Mixie Jar & Lid while grinding.

Water Inlet is available for Dome Lid and Chutney Lid.

WIDER BLADE FOR BLENDER PLUS JAR

The Blender Plus Jar has new wide blade made of SS304 steel for consistent and fine grinding. It makes preparation of Juices, Smoothies and Batter easy.

New SS304
Wide Blade for
Blender Plus Jar*.
